

SPRINT WORK FLOW

TEAM HUNGERZY

WORK FLOW

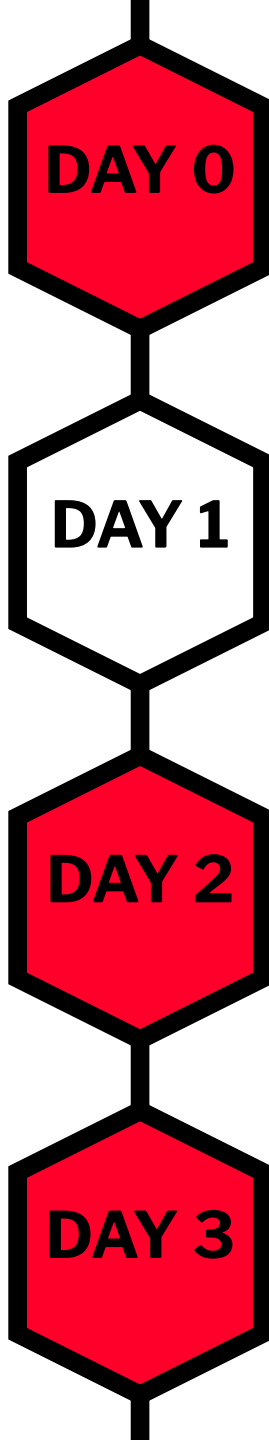

- Created a survey form to know about the boarders feedback regarding canteen issues.

HUNGERZY

► Work Flow

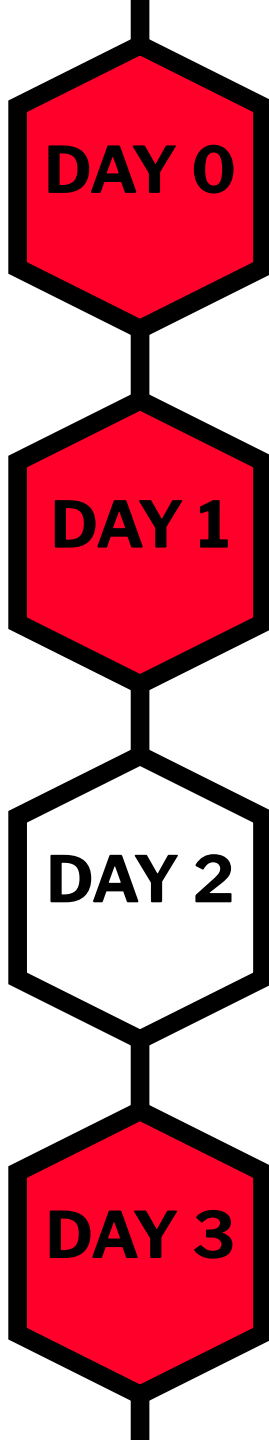

WORK FLOW

- Completed with the ideation phase.
- Decided to build an app for our service for easy ordering of food.
- Assembled our team for app-development and product implementation.

WORK FLOW

- We implemented our MVP (Minimum Viable Product) by taking orders via whatsapp and google forms.

WORK FLOW

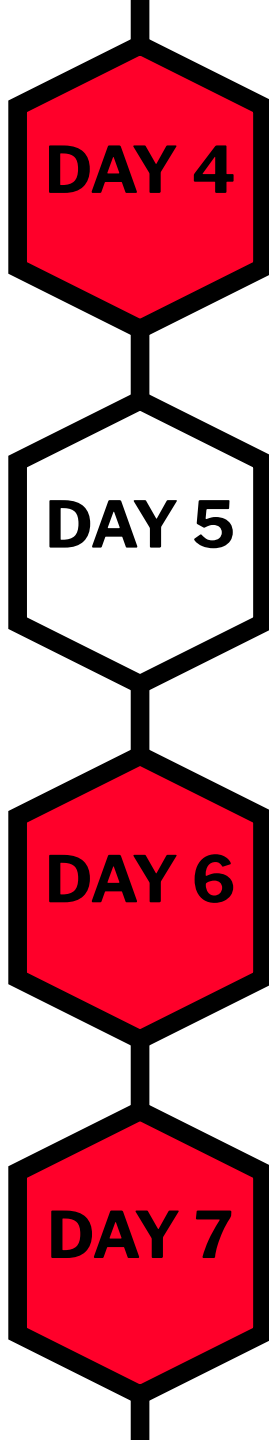

- We started branding our product via social media platforms and released posters for advertising our brand.

WORK FLOW

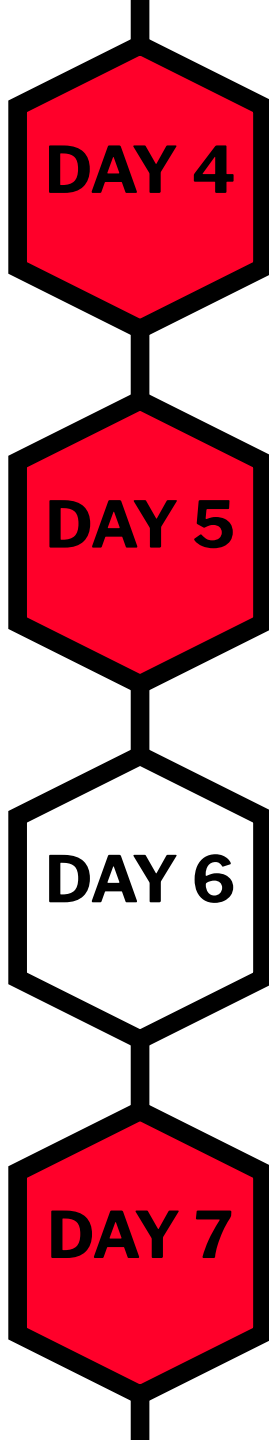

- We have started delivering to rooms from canteen and khoka market.

WORK FLOW

- Our team finished the app development process.
- We implemented our app using it for receiving orders from our customers.

WORK FLOW

- Recorded video of our users and their feedback was taken regarding the product.

WORK FLOW

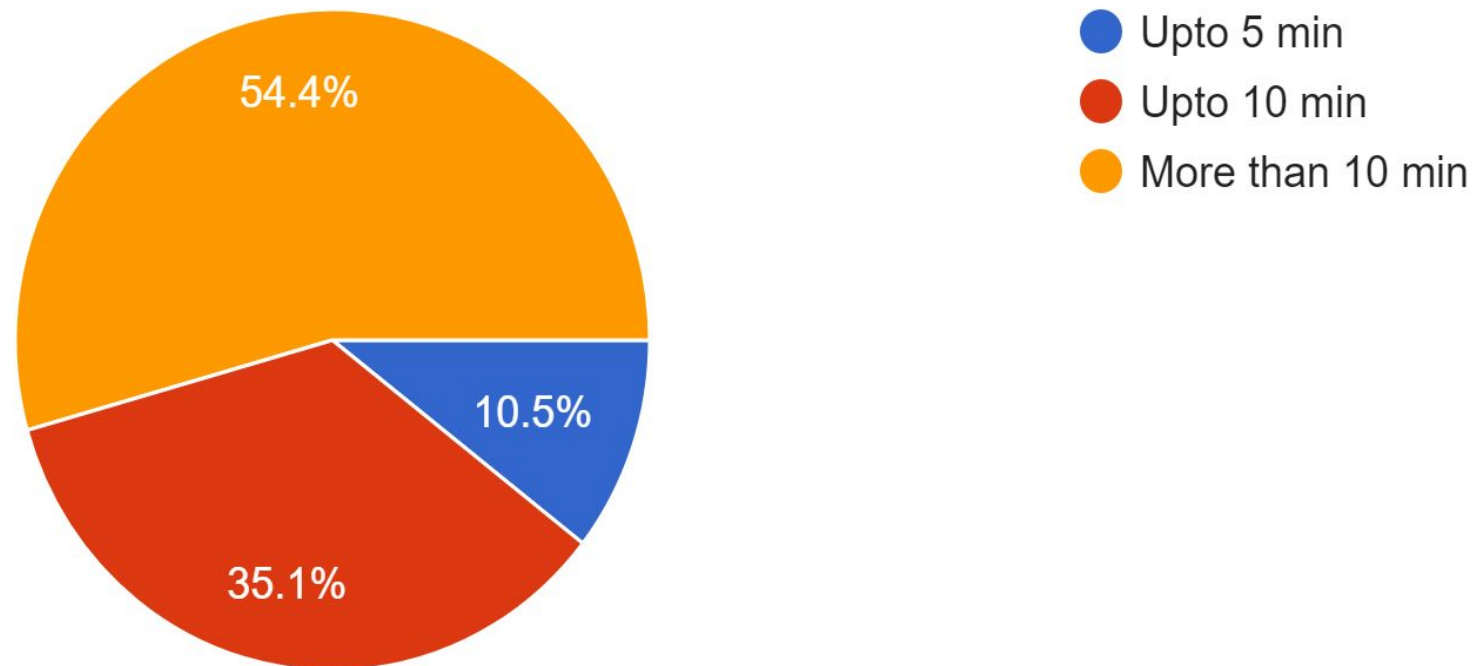

- FINAL SUBMISSION

Survey
